

The New Freedmen's Clinic | Howard University College of Medicine

The Clinic is open MONDAYS, from 6pm-9pm. Because we work in such a short timeframe, it would be best to schedule an appointment by calling the number provided below. We provide a variety of services – diabetes, cholesterol, HIV/AIDS screenings, and more. For more info, please take a look in the “[Clinic Services](#)” section.

La clinica esta abierta los LUNES de 6-9 pm. Por favor, llame al numero de telefono listado abajo para hacer una cita. Nosotros ofrecemos una variedad de servicios – atendemos a pacientes con diabetes, colesterol alto, exámenes de HIV/SIDA, y mas.
